Welcome to DTLA 2040.

Join us for a lively week of design workshops, discussion groups, and moderated panel sessions with guest speakers who are active in the Downtown resident, business, and development communities. The entire week is open to the public and intended to facilitate a discussion surrounding the vision for the Plan, and how it can help guide the future of DTLA.

DTLA 2040 is the update to two community plans, Central City and Central City North, which comprise Downtown Los Angeles. The Downtown Community Plans will describe a collective vision for Downtown's future and include policies, plans and programs that frame the City's long-term priorities.
